Dear Parens/Guardians,

Our school is delighted to welcome you as parents/guardians of next year's junior infants pupils.

Our school uses the Aladdin Schools software for administrative purposes. We also use a communication portal called Aladdin Connect. This portal gives parents and guardians secure access to messages from the school and to details of attendance, test results, reports cards etc via secure login on an internet browser or **Aladdin Connect App**.

Aladdin Connect is a fantastic way to enhance a school's communication with you as it enables you to stay connected and informed about your child's education.

You can rest reassured that Aladdin Schools uses state-of-the-art security to safeguard information entered by the school and data is stored and processed in strict compliance with Irish and European data protection laws.

In the next few days, you will **receive a text/email message** containing your **registration link**.

There will be one link per parent. Please do not forward this text/email or share this link as this is a unique registration link for each parent for your child/children in this school.

Once you have set up your account please download the app as this is an easier platform to use.

For further assistance please go to <https://aladdin.ie/files/pdf/ParentSignUp.pdf> to see the Parent Connect signup process.

You can also download our school website/app from the App or Play store by searching for **Saint Brigid's National School**

**\*\*\*Please note: If there are any personal concerns, or legal provisions in place regarding giving access to Connect to any parent/guardian of your child please contact Mr. Courtney at 01 8214040 in confidence immediately to discuss or restrict access as required.\*\*\***

We hope that you enjoy using Aladdin Connect.

Yours sincerely,

Denis Courtney

Principal
